REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cheraw High School continues to work diligently and persistently to be one of the best high schools in the state and make the necessary improvements to help all students continue to excel and learn. We are extremely proud of these efforts and being recognized as a Palmetto Silver Award winner for closing the achievement gap for the 2010 – 2011 school year.

Our school continues to excel in all areas of student life. Our students won the Chesterfield County School District Academic Bowl championship. Six students qualified for the National History Day, and seven students were named Palmetto Fellows. Our band and athletic teams competed for region and state championships. Our Senior Class was awarded over one million dollars in scholarships. Agriculture Teacher Robert Bollier was named the 2012 – 2013 Chesterfield County School District Teacher of the Year. He is one of many great educators at our school. He is a fantastic representative for our school, staff, and district.

Our School Improvement Council worked with the community and the school to sponsor a Career Fair for Cheraw High School. This event raised our students' awareness of careers and provided important information about preparing for the future. Our Parent Teacher Organization raised money for a variety of projects and recognized teachers for their hard work during the school year.

Each year presents its share of opportunities, challenges, and achievements. As we look ahead, we will continue to learn from our past to improve the future. As we work together with all stakeholders, we will be stronger and ready to take the lead of preparing our students for college and careers of the 21st century.
